

Backyard Tree

A large rectangular box with horizontal lines, intended for writing observations. The box is white with a black border and contains ten horizontal lines. It is positioned in the middle of the page, flanked by black line drawings of tree branches on both sides.

A large empty rectangular box, intended for sketching a tree. The box is white with a black border and is positioned below the observation box. It is flanked by black line drawings of tree branches on both sides.

Note your observations above and sketch below.
