### Using 3 Part Montessori Style Identification Cards

These 3 part Montessori Style cards have been made to help you teach the common symbols found on a weather map.

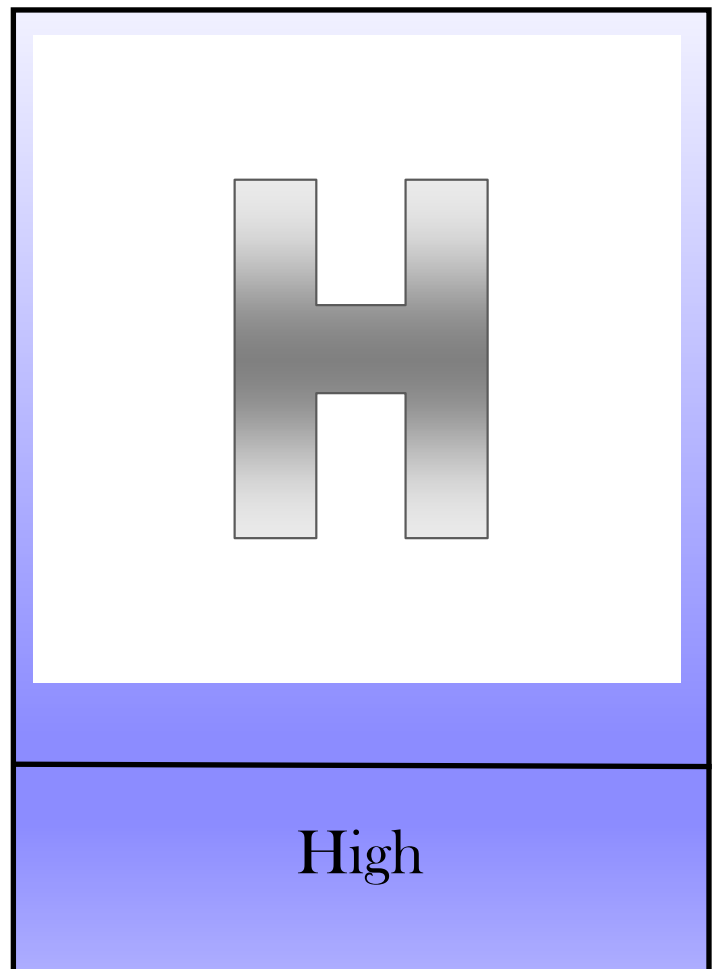

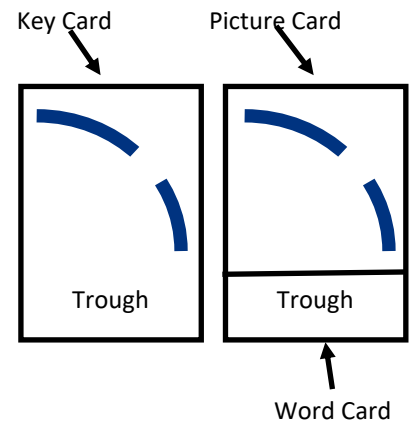

They can be used in a traditional way of introducing the *Key Card* to your child. As you lay the card say the name. Start with two or three cards. Allow the child to match the *Picture Card* that has been separated from the *Word Card*. Then, if your child is not yet reading, read the *Word Card* and help your child to match that to the *Key Card* also. Older children who are fluent readers can do this activity by themselves.

The cards can also be used to play memory or snap.
